Scope of the Position:

Under the general supervision of the Senior Accounting Officer or the Accounting Administrator, the Accounting Officer (Specialist) will perform professional accounting work in the establishment and maintenance of accounts and financial records in the Bureau of Unclaimed Property and to ensure the State's interest is protected. Duties include, but are not limited to the following:

Duties and Responsibilities:

Candidates must perform the following essential functions with or without reasonable accommodations

- Duties will be commensurate with level filled.
- Analyze and reconcile securities subsidiary ledgers to the Securities Asset Accounting System (STKS) to determine the financial status of securities received in the Bureau of Unclaimed Property and ensure they are accurately posted to each subsidiary ledger;
- Reconcile all securities accounts that have been approved for payment utilizing the Unclaimed Property Systems (UPS);
- Verify the number of securities received and the number of shares applicable to the individual claim for payment;
- Identify errors and obtain data for corrections;
- Research the Internet to determine the past activities and current status of each security posted to the securities account on the UPS and STKS systems;

The State Controller's Office is committed to providing equal opportunity to all regardless of race, color, creed, national origin, ancestry, sex, marital status, gender, disability, religious or political affiliation, age, or sexual orientation.

- Resolve problems received from claimants regarding stock approved for payment;
- Communicate with claimants, holders, transfer agents, and security brokers regarding the status of stocks escheated to SCO or method of payments;
- Identify problems that may arise as a result of the encumbrance/sale of certificates for payment of stock accounts, and consult with the Senior Accounting Officer to determine the appropriate accounting procedures that should be used to resolve the issue;
- Develop accounting procedures appropriate to the Securities Accountability Program and develop subsidiary accounting applications using Microsoft Excel and Access programs;
- Interpret and disseminate information regarding the Unclaimed Property Law, Administrative Code Regulations, and Bureau Policy to holders of unclaimed property;
- Advise Bureau management regarding securities financial market trends and interpret accounting data to identify program problem areas so that corrective measures may be implemented;
- Draft correspondence and provide accounting information reports to management.

Applications will be screened and only the most qualified will be interviewed

How to Apply:

All hires will be subject to a background check.

For permanent positions, SROA and Surplus candidates should attach "surplus letters" to their application. Failure to do so may result in your application not being considered.

Please submit a STD. 678 State Application and Résumé to:

State Controller's Office
